Join the New IFEH Special Interest Groups – SIGs – on LinkedIn

The IFEH has established 16 Special Interest Groups. You need to have a profile on www.LinkedIn.com to join - (and just like Facebook – this is for free). However, these LinkedIn groups are for members only – in order for you to rest assure – that your messages and questions are only addressed and visible to other professionals – all being members of the IFEH.

The groups are listed below – and clicking on the group name you will be redirected to the specific LinkedIn group – where you can easily apply for membership. Normally you will be granted access in a day or two.

The IFEH connects some 50,000+ individual professionals through out our IFEH member organisations and associated on all continents. The intention is to use this great poll of professional skills and sharing of knowledge Worldwide in the interest of advancing the effect of each of us performing our daily work locally and at the same time helping our colleagues Worldwide in advancing the effect of their duties and planning.

The groups are: (sorted by name)

- IFEH SIG - Air Pollution
- IFEH SIG - Climate Change & Environmental health
- IFEH SIG - Communicable Disease
- IFEH SIG - Disaster Risk Management and Risk Reduction
- IFEH SIG - Drinking Water
- IFEH SIG - Food Safety & Security
- IFEH SIG - Housing and Shelter
- IFEH SIG - Indoor Air Quality

Each group will be lead/supervised by a chairperson being a member of the IFEH. The IFEH Board of Directors in this start up phase will appoint these chairpersons. Until then the admittance to the groups is run by the IFEH Webmaster - Hon. Vice President of IFEH: Henning I. Hansen. By 2017 each IFEH SIG are to elect their Group Chair person for a two-year period amongst the group members. So any of you – being member of one of the IFEH SIG - could be the coming IFEH-SIG Group Chair person.

You are all welcomed to join one – or more of the IFEH SIGs www.ifeh.org/sig
